

YPTC PROVIDES SHELTER FROM ACCOUNTING STORMS.

WHO WE ARE.

SINCE 1993, Your Part-Time Controller, LLC (YPTC) has focused exclusively on helping nonprofits with their accounting, financial reporting, and financial management needs.

WHAT WE DO.

We help animal welfare organizations by providing ongoing and interim accounting and Controller/CFO solutions, as well as a variety of specialized services such as financial reporting and forecasting, book-keeping, budgeting, data visualization, and more.

WHAT OUR CLIENTS SAY.

"We needed someone with the expertise to help us quickly correct some things that were in place and to create new processes. Your Part-Time Controller was able to do both. They didn't just crunch numbers: they made it a team effort and put a lot of thought and strategy into what we needed to accomplish."
