HSVMA: We Are Animal Welfare!

The Humane Society Veterinary Medical Association is a membership organization for veterinary professionals with a focus on animal welfare. We offer education, advocacy and direct service opportunities to aid animals in need.

LOOKING FOR A VETERINARY ORGANIZATION THAT SHARES YOUR VIEWS?

The Humane Society Veterinary Medical Association (HSVMA) is the only professional veterinary medical association with a focus on animal welfare. We also are unique in that we welcome all members of the profession including veterinarians, veterinary technicians, and students of either discipline.
