ANIMAL LIABILITY

## When his unique personality requires unique coverage...

While most of us see our dogs as valued members of the family, the sad reality is that they can also be a huge liability. Without warning, even the friendliest dogs can be pushed too far and snap. A playful nip can be read as aggression by those unfamiliar with your four-legged friend. Not to mention the risk of property damage that can come from dogs who love to dig or who suffer from separation anxiety. This is where animal liability insurance can help.

### covers all types of pets:

- > Therapy Dogs
- > Service Dogs
- > Guard Dogs
- > Working Dogs  
(narcotic sniffers & bomb sniffers)
- > Pit Bulls
- > Rottweilers
- > Any dog that has a biting history
- > Exotic Animals

XINSURANCE is powered by Evolution Insurance Brokers, LC ("EIB"), an excess and surplus lines insurance brokerage. XINSURANCE is a DBA of EIB, which is domiciled in and has its principal place of business in Sandy, Utah. This insurance product is offered by an unlicensed surplus lines insurer. The NPN for EIB is 5464658 and CA license number is 0H93938.

We offer dog bite insurance coverage for everything from an overactive Chihuahua to "dangerous breeds" like pit bulls that most companies won't touch. We also offer solutions for service dogs, therapy dogs, working dogs (bomb sniffers, narcotic sniffers, etc.), guard dogs, and more. Whether your dog has a bite history or is a breed commonly excluded from homeowner's coverage, if you are a dog owner and would like some extra peace of mind, turn to XINSURANCE to prevent the risk of personal liability for your pet's actions.
