1

### Community Conversations - every Monday!

A weekly, national, Zoom call at 11AM PT for animal well-being professionals. These calls are a collaborative space to share exciting new programs and research, discuss uncomfortable topics, connect with peers in the industry and more. Watch live or on-demand. [Register today!](#)

2

### Maddie's® Monthly Foster and Behavior Connections

Monthly webcasts on behavior and foster topics—supporting pets, sharing programs and research, collaborating, and tackling complex challenges. Learn more and register for [Foster - 2<sup>nd</sup> Thursday, 12PM PT](#) and [Behavior - 4<sup>th</sup> Thursday, 12PM PT](#).

3

### Maddie's® University - 24/7 Learning

On-demand, self-paced courses and curated learning paths open to all animal well-being professionals covering topics from shelter operations to field services, with opportunities to earn RACE, CE, NACA, and CAWA credits. [View the full catalog of course offerings and register today.](#)

4

### Maddie's® Pet Forum - An Online Animal Well-being Community

A welcoming, supportive online community where animal well-being professionals and volunteers connect, swap ideas and get questions answered. Browse resources and join the conversation—[register today to start building meaningful connections!](#)

5

### Grant Opportunities

In addition to the \$10,000 in grants given away on the weekly Community Conversations calls, for the last two years Maddie's Fund has given a monthly \$3,000 grant to one lucky winner who contributes content on Maddie's Pet Forum! [Visit this discussion thread](#) in Maddie's Pet Forum to learn more.
