

Sample Pet Resume

Buddy Smith

(John & Jane Smith, guardians)

123 Magnolia Lane

San Francisco, CA 94000

(415) 555-5555

Description: Buddy is a friendly, well-behaved, neutered orange tabby cat who enjoys the great indoors, and loves apartment living. When he's not busy sleeping in the sun, he can be found playing with his toys, gazing out the window or watching baseball on TV with his dad. He is litterbox trained and always uses his scratching post (why would anyone want to scratch on anything but sisal rope?). He has been the beloved companion of Mr. and Mrs. Smith for all of his 5 years.

Health/Grooming: Lucky is neutered, free of any parasites like fleas (thanks to living his life entirely indoors), up to date on vaccinations, and gets regular brushing to eliminate fly-away hair. He is in good health, and is a regular patient of Dr. Ima Veterinarian at Local Veterinary Hospital.

About Us: As cat caregivers who love their pet, Buddy's owners take care to ensure that his litterboxes are cleaned at least once daily, and that waste is promptly and properly disposed of. When his owners travel, they arrange for a local professional pet sitter to see to his needs, along with picking up mail, watering plants, and otherwise ensuring the apartment is secure.

References: Our current landlord can be reached at (415) 555-0000; a letter of reference from him is attached. Also attached are letters of recommendation from former neighbors, Buddy's current pet sitter, and Buddy's primary veterinarian, along with his current vaccination records.

We would be happy to have you meet Buddy at your convenience. Thank you for considering us as prospective residents of your rental home!
