

Why does my cat do *that* — and how can I make him stop?!?

Kitties. We love 'em, you love 'em. But sometimes they can make you crazy!

If your cat has a habit that's driving you nuts, you don't need to give him up. There's probably a reason for it.

You've got questions. We've got answers. Our unique, interactive online Cat Answer Tool can help you manage your cat's behaviors so you can stay happy together.

Go to humanesociety.org/catanswertool and solve your kitty mysteries.
